Loses Fender When Auto Hits Bus In "No Parking" Zone

The right rear fender of an automobile owned and driven by Earl Jacoby, Taneytown road, about a mile from Gettysburg, was torn off this morning when Jacoby caught the fender on the end of the front bumper of a Capitol Bus Lines bus opposite the terminal on North Washington street.

Jacoby said he was driving south and was forced over by a car approaching from the opposite direction. The bus, and another owned by the same company, were parked on the west side of the street just north of Race Horse alley, in a "no parking" zone

Several automobiles were also parked on the west side of the street north of the buses. There are four signs on poles on this side of the street prohibiting parking.

Present plans call for a house to house canvass for funds or food for CROP, which is the national organization set up by the various churches to collect food, or funds for food, to be sent to millions of starving persons overseas.

The program began in 1947 at the suggestion of M. R. Zigler, executive secretary of the Brethren Service commission of the Church of the Brethren and now representative of the Church of the Brethren on the World Council of Churches, Heckenluber said. CROP was launched August 1, 1947, with the Church World Service and Lutheran World Relief cooperating. On June 1, 1948, the Catholic Rural Life organization joined CROP.

The first CROP food train, started on Lincoln's birthday last year, secured 283 carloads. The year's big drive was made over the Thanksgiving period and 26 states cooperated, with 100,000 solicitors receiving donations from 1,500,000 persons.

To Convert To Cash This year marks the first time CROP has been organized in Adams county, Heckenluber said.

will play a daily exhibition.

One of the state's oldest gridiron rivalries will be resumed Thursday afternoon at 2 o'clock when the Gettysburg college Bullets square off with Franklin and Marshall's Diplomats on Williamson field, Lancaster, in the annual Thanksgiving Day

Starting in 1890 when F. and M. won 2-0, the schools have met 52 times on the gridiron and everything is even at 23 games apiece while five resulted in deadlocks.

This year a golden opportunity presents itself to the Bullets. They can compile the best gridiron mark in Gettysburg college history by triumphing on Thursday. A win would give the Bullets a mark of seven wins, one defeat and a tie. Back in 1891 the Orange and Blue team won five and lost one. In 1906 a record of seven wins, one defeat and two ties was turned in while the team of 1925 won six, dropped one and played two deadlocks.

Records Mean Nothing Coach "Hen" Bream's outfit will be a heavy favorite to top the Diplomats in the season's final but to fans who have watched these teams meet throughout the years records go for nothing. Time and again the underdog has risen up to smack down the over-whelming favorite by decisive margins.

Two weeks ago the Bullets, fresh from their sensational victory over Bucknell, were picked to thrash Albright as they pleased. The final score was 13-13 with the Bullets being very fortunate in escaping with

The same could be true on Thursday but not if Coaches Bream, Johnny Yovicsin and Jack Shainline have anything to say about it. They have been drilling their charges hard since the Albright affair and the players themselves seem to have absorbed the knowledge that F. and M. possesses the strength to give them a rough afternoon.

15 Will Graduate

Fifteen senior lettermen will be in Orange and Blue livery for the last time on Thursday. Only Warner Moore, tackle, who is nursing an injured right hand, is likely to be kept side-lined and the presence of several other players depends on how the game is going.

Senior who bow out with the Thanksgiving Day tussel include Sachs, the passing ace, Court, Mc-Causland, Pavelic, Moore, Matheiu, Schlegelmilch, Thomson, Gallagher, Reese, Gilligan, Kirker, Cervino, R. Johnson and Musselman.

The entire squad is in good physical condition, Mike Erbio, another tackle, suffered a nose injury a week ago but will wear a face-protector for the contest.

Franklin and Marshall is reported to be at full strength for the game and will rely heavily on the ball-toting of its star back, Bob Cordier. Co-Captains Wertz and Burak are outstanding on the line at end and guard, respectively.

Coach Woody Sponaugle's outfit has won but two games, 45-8 over Swarthmore and 27-6 over Ursinus. Ties were played with Dickinson, 13-13, and Carnegie Tech, 14-14. Defeats were sustained at the hands of Lehigh, 53-0; Johns Hopkins, 14-13: Albright, 7-0, and Western 11 through April 16, the pale hose Maryland, 12-6.

Game Means Much

As is usual, F. and M. can create a successful season by whipping Gettysburg and with that thought uppermost in their minds, the Diplomat players are bent on pulling the upset of the season.

The Bullet squad will dine here Thursday morning at 10 o'clock after which it will be taken directly to Williamson field for the contest.

By DEWITT MACKENZIE (AP Foreign Affairs Analyst)

The world is informed indirectly through a Mukden, Manchuria newspaper that the Communist people's court expects to reach a final decision shortly in the case of American Consul General Angus Ward, who is imprisoned in Mukden with four of his staff on a charge of beating a Chinese employe in the

This comes on the heels of Washington's unprecedented request to thirty nations, including Soviet Russia, to join in bringing pressure on the Chinese Red regime to free Ward and his colleagues. Obviously it could mean that the Mukden people's court has been ordered to get a quick decision so as to render it unnecessary for Moscow to respond to any action which may result from the United States' appeal.

If this concerted maneuver eventuates, it may put the spotlight on a highly interesting situation. In the first place, the U.S. suggestion is that the request regarding Ward be directed to the Chinese Communist regime in Peiping, headed by General Mao Tze Tung. This brings from Chinese Nationalist quarters the remark that the Peiping government has no control over Manchuria, which is an individual satellite of Russia and takes orders only from

Dr. Bunche Boomed

Ralph J. Bunche, former United Nations mediator in Palestine, is being boomed for the post of ambassador to Russia, the Philadelphia Inquirer said today.

The Inquirer said it has learned through "sources close to the government" that Dr. Bunche is being actively pressed for the position now held by Admiral A. J. Kirk. Kirk is believed to be planning to ask for relief early next year, the newspaper said.

Two major considerations are behind the Bunche boom, the Inquirer said: He is admittedly one of the world's top diplomatic figures largely as a result of his handling of the explosive Palestine situation. and highly placed U.S. officials believe his appointment to the Moscow post would help counteract the position taken by Paul Robeson as regards the role of the Negro in American democracy.

In a telephone interview yesterday, Dr. Bunche told the Inquirer he is still adhering to his policy of "never commenting on reports until something can be said."

Littlestown KINGSDALE FIRE COMPANY PLANS

Kingsdale Volunteer Fire company met Monday evening at the home of Walter F. Crouse, along the Littlestown-Taneytown road, when it was decided to build a fire hall. Mr. Crouse donated a plot of land to the company along the highway close to the Kingsdale crossroad on which site the building will be erected.

Plans call for a one-story, tile block building, 40 feet by 80 feet, with a steel roof. There will be a basement under the north end of the building for the boiler room, rest rooms and for storage. Work will start on Thanksgiving day.

The present service consists of a star route mail arriving from all points at 12:25 p. m. Mail will be dispatched to all points via this star route at 2 p. m., which will be also made an air connection. A star route for dispatching mails at 6:30 p .m. has been eliminated.
